HighRoads names CFO

Human resources automation company **HighRoads Inc.** named Larry Whitman chief financial officer and vice president of finance Monday.

Whitman joins the Boston, Mass.-based company from **Colubris Networks**. In a statement, HighRoads said Whitman helped triple Colubris Network's revenue, but didn't provide specific figures.

Whitman also formerly worked for Bedford, Mass.-based **Shiva Corp.**, which was bought by **Intel Corp.** (Nasdaq: INTC) in 1998.
